Recipient: Karen Tang
Fax Number: 15712738300
Company: USPTO Art Unit 2151
Subject: Proof of Service - electronic (PoS-e)

Pages: 22 (including cover)

Dear Ms. Tang:

We sent you preliminarily a copy of the 8 pages that were faxed to you on December 20, 2005. In order to ensure that you have complete knowledge of the pages sent to you we included in this fax all of the pages we sent, our phone bill for having done so, our computer fax program-generated documents showing the transmissions (these are the "Snappy Fax" pages) and the pages themselves.

A copy is also being sent to Mr. Maung.

We are sending these to you as support for our assertion that we sent the 8 pages to you originally. Nancy and I have put 5 years of work into PoS-e in order to help it succeed and we want to assure you that we sent you through this proof that we did complete transmission of all 8 pages on December 20, 2005. Sent Are:

Exhibit 1: 8 Pages Originally Sent
Exhibit 2: 2 Pages: Revision to Page 1 to Show Correct Art Unit (2131 to 2151)
Exhibit 3: 1 Pages: Snappy Fax Faxes Sent Report (Maung & Tang)
Exhibit 4: 1 Page: Proof of Phone Charge
Exhibit 5: 1 Page: Proof of Receipt of Revised Page 1 from USPTO
Exhibit 6: 1 Page: Screen Shot of Snappy Fax Dialogue Showing Faxes to USPTO

Probably why you are missing a page is because of my err with the Art number. But, the documentation shows that I corrected that within minutes (See Exhibits 2, 3, 5 and 6). Please excuse the problem created by this err.

Please call with any questions. My phone is 949-429-4294 and my cell phone is 949-510-1100.

Sincerely,

Charles Benninghoff
